The following outline meets the minimum requirements of Public Law 95-507 and the Federal Acquisition Regulation (FAR) Subparts 19.7. It is intended to be a guideline. It is not intended to replace any existing corporate plan which is more extensive. If assistance is needed to locate small business sources, contact the Director, Office of Small Business Programs (202) 622-0530 or the bureau Small Business Specialist, Jodie Paustian, (202) 283-1199. Please note that the Department of the Treasury has subcontracting goals of 41% for small business, 3% for HUBZone small business, 5% for small disadvantaged business, 5% for women-owned small business, 3% for Service Disabled Veteran-Owned small business concerns, and 1% for NISH organizations for fiscal year 2004.
